Community
Management
of California Inc.,
(PCM) proudly announced that company employees raised a grand total of \$14,500 for United Way and Associa Cares.

"PCM's team has made a huge difference in so many lives. I take personal pride in each and every employee who has contributed to this campaign," said Disbro. "Their donations strengthen our communities that need our support during this time of economic uncertainty."

Since 1998, PCM has raised approximately \$450,000 for Orange County United Way during its annual employee-organized campaign. This year's theme was "Oktoberfest PCM Style." The main events were hosted by Harvest Landscape, DM Construction, Antis Roofing and The ESP Group (Ranscapes, Perry Law, Nordic Security, Advanced Painting, 24 hour Restoration, Roy Palacios Insurance and Scott English Plumbing). Thirty-nine local companies also contributed through donations. The 2011 PCM committee was comprised of Rita Brantley, Teresa Figueroa, Catherine Laster, Kari Altice, Joe Nguyen, Colleen Jacob and Michelle Thomson.

A non-profit charity that supports families and communities in times of crisis, Associa Cares is comprised of volunteer staffs who serve on national and local committees.
