Professional Community Management of California, Inc., receives Long-Time Member Award from Building Industry Association

PCM recognized for its 27-year partnership with industry

LAKE FOREST, Calif., (November 12, 2008) – Recognizing its long-term commitment to the building industry, the Building Industry Association of Southern California, Orange County Chapter (BIA/OC) presented Professional Community Management of California, Inc. (PCM), with a long-time member award. PCM, one of the nation’s largest managers of homeowner associations, has been a member of the organization for 27 years.

PCM has been serving clients in Southern California for more than 35 years and it has been an active member of the BIA since 1981. It joined the organization because it serves as a resource to members, offering industry information, advocacy and opportunities to support charitable endeavors. It also creates avenues for PCM to serve the building industry, whether through sharing the company’s knowledge at conferences, volunteering time or providing sponsorships.

"PCM is a company that values long relationships with its clients, industry partners and employees. Our 27-year partnership with BIA has helped us to better serve communities in Southern California and we appreciate all that the organization has brought to PCM," said Donny Disbro, vice president of business development and marketing for Professional Community Management. "We have been working with builders and developers since PCM’s inception."

Professional Community Management of California, Inc. specializes in the management of Common Interest Developments (CIDs) of homeowners associations for high-rise condominiums, family oriented master-planned developments, subdivisions of master-planned developments, active-adult master-planned communities and boutique communities throughout Southern California. It manages a portfolio of nearly 100,000 units in 250 community associations, representing a combined real estate value in excess of \$45 billion.

With headquarters in Lake Forest, Calif., PCM and its family of companies employ a staff of more than 1,400 people. PCM has regional offices in Orange, Riverside, San Diego and Los Angeles counties and has been recognized by the Multi Housing Council as one of the county’s largest managers of common interest developments, commonly referred to as Homeowner Associations.

Management services by PCM are backed by state-of-the art Internet software technology, and comprehensive financial and management systems. For additional information, please contact PCM at 800.369.7260 or at www.pcminternet.com.

The Orange County Chapter of the Building Industry Association of Southern California (BIA/OC) is a non-profit trade association representing more than 1,000 companies employing over 117,000 people affiliated with the home building industry. The BIA/OC mission is to promote proactive participation in the development of economic and community issues in Orange County. The BIA/OC is affiliated with the California BIA and the National Association of Home Builders.
