

## **Residents of Laguna Woods Village Thank Staff with Flowers**

**December 15, 2010-** The Community Civic Association of Laguna Woods Village, along with a host of clubs, groups, residents, and companies serving the community, delivered red carnations on December 15 to say "thank you" to the employees of the Professional Community Management, Inc. (PCM) for their dedicated service to the residents of the Village.

The Staff at the Village are responsible for maintaining 12,736 homes, dozens of amenities, and ensuring the security of the community. Nearly 30 clubs, organizations and service providers made monetary contributions to purchase the flowers and cards for the Staff. With nearly 1,000 employees at the Village, this was no small contribution!

Resident volunteers personally passed out the flowers and thank you cards to the PCM employees at the Village. Flowers were also given to the Laguna Woods City Council and to public employees including City staff and the local fire department.
