**Laguna Woods Village Transportation Department Collects Toys  
for Firefighters' Spark of Love Toy Drive**

**LAKE FOREST, Calif. (December 8, 2011)** – As in years past, Professional Community Management of California, Inc. staff members of the Laguna Woods Village Transportation Department will again collect toys for the Spark of Love campaign benefitting the local fire station.

The campaign was founded in 1990 by Jerry Ryman, a retired Marine air pilot, resident of Laguna Woods and a former bus driver. To date, community bus drivers have collected more than 7,000 toys.

“The firefighters at Station 22 provide invaluable emergency services to the residents in the Community,” said Gary Anderson, Transportation Supervisor at Professional Community Management. “This year, the bus drivers will lend their support by collecting toys on the buses to contribute to the station’s toy drive.”

The bus campaign began on November 21. Residents drop off new, unwrapped toys or sports equipment in the special red containers on any of the Laguna Woods Village buses during normal hours of operation.
